We will be taking class photos during costume check week! The Northeast Atlanta Ballet, our resident non-profit ballet company, has organized a unique fundraiser! You get a great keepsake while supporting our non-profit! Each 5x7 print will have the studio name and year printed for you!

What do I need to do?

Please have your dancer's hair in a neat bun with no bangs or braids. Please have neat tights and shoes with no holes. Makeup is not necessary, but feel free to use a little powder, mascara, and red lipstick if you like.

When?

We will take the group photo during the costume check at your normal class time beginning Monday, May 8th-Saturday, May 13th. Parents will not be allowed to take a picture of the group while we are posing the dancers. Thank you for understanding the time and effort put into this fundraiser for our non-profit and for our dancers.
